Member Agreement

Your use of the Internet Service ("Service") provided by Net2000 ("Provider") is subjected to the terms and conditions of this agreement. It is your responsibility to read and understand these terms and conditions. This agreement begins when we accept your applications and can be terminated by either party giving at least 24 hours notice.
The terms and conditions will survive any termination of this agreement.

Our responsibilities

We must provide you with the Service, notify you by mail or email of any variation to this agreement or any charges and fees payable by you.

We must, to the best of our ability, ensure the continuity of the Service. However, neither Net2000 nor it's employees, agents and information providers, warrants that the service will be uninterrupted and error free.

The Service is distributed on an "AS IS" basis without warranties of any kind. Neither Net2000 nor anyone else involved in creating, producing or delivering the Service shall be liable for any direct, indirect, incidental, special or consequential damages arising out of the use or inability to use the Service.

We reserve the right to suspend or cancel your access to the Service if, in our opinion, you breach the terms and conditions set out on this agreement.

Your responsibilities

You must use the Service responsibly and pay all fees and charges incurred for the use of the Service by the due date. The current fees are as shown on Net2000's web pages. We may vary these fees from time to time on one month's notice to you. You are responsible for the cost of telephone calls from your telephone to our server.

You agree that we may charge all fees to the credit card designated by you. In the event that we do not receive payment from the card issuer or its agents for any reason, you must pay all accounts due on demand. Failure to pay charges and fees will result in the suspension or cancellation of the Service.

You are responsible for all equipment and software necessary to access the Service. You agree not to use the Service for activities which breach any state, Commonwealth, or any other applicable laws. You agree not to infringe any third party rights while using the Service. You agree not to use the Service to defame, harass or menace any other person.

You agree to indemnify Net2000 including its employee or agents from and against all actions, claims, suits, demands, liabilities, costs or expenses arising out of your use of the Service.
